THIS WEEK IN EARLY YEARS

This week, we have been enjoying the story 'When We Grow Up' by Melanie Walsh. The book encouraged lots of exciting conversations about different jobs and what the children would like to be when they are older. We explored the important roles people have in our community and talked about the skills needed for different occupations.

In our literacy sessions, the children have been practising writing CVC words. CVC stands for Consonant-Vowel-Consonant, meaning the word has three sounds, such as 'cat', 'dog', 'sun', and 'hat'.

You can support your child at home by encouraging them to sound out simple CVC words they see in books or around the house and have a go at writing them independently.

MARVELLOUS MATHEMATICIANS

This week in Maths, the children have been learning about 1 more and 1 less than numbers within 10. Through practical activities, songs, games and number lines, the children have been exploring how numbers change when we add one more or take one away.

You can support your child at home by asking simple questions such as, "What is one more than 6?" or "What is one less than 9?" You could also practise while counting everyday objects, such as toys, pieces of fruit or steps, to make learning fun and meaningful.
